COLOR ENHANCING SEALER

PREVIOUSLY KNOWN AS INTENSIFIA™

The ultimate combination of enhancer and sealer. Natural stone, masonry and other hard porous materials will have deep, long lasting color enrichment and premium water and oil-based stain protection.

BENEFITS

- Deep color enhancement.
- Super oil and water repellency for long lasting stain protection. ISO 10545-14 Class 5 (best possible resistance to stains), greater than 98% reduction in 24-hour water up-take (Rilem method).
- Longer lasting, even outdoors under UV light.
- Easy to apply. Additional coats can be applied at any time in the future to a cleaned surface.
- Retains surface hardness and wet slip resistance of porous flooring materials.
- Will not flake, yellow, crack, blister or break down in alkali environments and reduces concrete dusting.
- Treated surfaces dry quickly making a waterless environment for bio-films.

*A five year performance warranty is offered when product is applied by an accredited applicator and surface is maintained regularly, as outlined in our warranty document. Visit our website at www.stain-proof.com to find your nearest accredited applicator.

STAIN-PROOF'S IMPREGNATING SEALERS AND CLEANERS

THE TECHNOLOGY THAT SETS US APART

Stain-Proof® sealers are formulated using a unique sealing technology – our sealer molecules are approximately 400+times smaller than other impregnators and penetrate much further into the pores to form a deeper water and oil repellent barrier, providing optimum protection to surfaces such as natural stone, bricks, pavers, tiles, engineering concrete and grout. **Stain-Proof also offers daily and heavy-duty cleaners specifically formulated to tackle a variety of needs. To choose the perfect care and maintenance solution for your project, visit stain-proof.com.**
