

**VERSATILE, ALL IN-ONE**

# TOOL STORAGE SYSTEM

Introducing the Tool Storage System by Groves Incorporated. Now you can store all your tools, accessories, and other small items in one safe and secure location. Made of robust powder coated steel, our system provides dependability, durability, and security.

The Tool Storage System is available as a wall mounted system with any quantity of individual lockers or as a mobile system with either two or three individual lockers. Each individual locker comes standard with three shelf levels and a rear security panel.

**Individual Locker Dimensions:**

20" deep x 24" wide x 72" tall

**Available Options Include:**

- Metal Peg Board with Mounting Bar
- Metal Louvered Panel with Mounting Bar
- Security Option with Door and Top Security Shelf
- Additional Shelves
