

**DRAW A  
CROWD**

**TOP SHELF<sup>®</sup>  
METALLIC**

Turn floors into fine art with **KRETUS Top Shelf® Metallic Systems**. These luxurious 3-D systems combine the strength of our Top Shelf® Epoxy, the longevity of Polyurethane HS (High Shine), and the brilliance of reflective glass for a floor that's beautiful, built to last, and easy to clean.

**KRETUS Top Shelf® Metallic Systems** stand up to high traffic and are great for entryways, lobbies, conference and show rooms. Our system can also be adapted for countertop coatings.

- automotive—showroom, sales floor
- entertainment—theme park, sports facility, museum
- nonprofits—church, education and art facilities
- hospitality and retail—tattoo parlor, clothing store, restaurant, hotel, bar, night club, airport
- medical facility—vet clinic, hospital
- residential—garage, home office

### Chemical and Stain Resistant

Protected by a clear coat of Polyurethane HS, **KRETUS Top Shelf® Metallic Systems** withstand most chemicals, food and alcohol spills, and automotive grease and oil.

### Color Chart

### TOP SHELF® METALLIC

High-build option for increased durability—recommended for indoor high-traffic residential and commercial flooring at 32-57 mils thick.

### TOP SHELF® METALLIC <sup>UV</sup>

High UV resistance for increased color stability—recommended for residential and commercial flooring in outdoor and brightly lit indoor spaces at 32 mils thick.

### Create Truly Unique Floors

Each floor has an authentic design based on the techniques and artistry of the installer.

### Low Maintenance

For daily cleaning, use KRETUS® Coating Cleaner or similar pH-neutral cleaning product.
