

MICHIGAN PNEUMATIC TOOL, INC.

Item ID: MP-9B

Description: HAMMER ROTO

9 LB Class Roto Hammer. Self-rotating hammer drill offers versatile service as a masonry drill or demolition tool. Ideal for drilling hard materials such as bricks and concrete. With nonrotating chisels, the tool can be used for chipping and caulking jobs. Quick change chisel retainer allows for fast conversion. Round bushing and clockwise rotation are standard. Uses 3/4" round shank bits.

Specifications
