# MITER-IT™ V3

Miters Made Easy

Wherever you would need a hand to hold the material, put a Miter-It™ there instead!

- **Squares the miter** with fast, easy adjustments, eliminating the need for a helper
- **Coarse and fine adjustments** for exact seams
- **More efficient** than taping methods alone
- **Wide clamping range** for thick edges: 1"-9" (25 mm to 229 mm)
