Eliminate Vertical Surface Damage

# NO-SPIN EDGER

Eliminate Vertical Surface Damage

Rigid refinishing backer with built-in vertical surface protection to achieve fast and precise cut patterns against edges.

**LOW PROFILE BUMPER -**  
Protects faucet fixtures and other lower-profile vertical surfaces from the edge of spinning pads during polishing or refinishing.

**DUST SHROUD  
POLISHER ADAPTER -**  
Protects from dust inhalation and keeps work area clean. (Three models available, compatible with Dewalt, Milwaukee, Makita/Bosch).
