## All-Terrain Thin Material Cart

Could you use a little help transporting your **large format thin material\***?

**Gravel, lawns and curbs** are no problem with 8" non-marking, flat-free, shock absorbing tires

**Integrated turnbuckle system** creates a rigid attachment between the frame and cart

**Adjustable wheelbase** to match stair tread depth

**Quickly folds down** to 12" wide for easy storage between jobs

**Wooden cargo deck** holds essential equipment during transport

\*S3 | Slim Slab Saver and Kickstand Kit required

**(530) 748-2260**
