**WATER CLEAR  
VINYL ESTER TECHNOLOGY**

You can now order them in these sizes:

1 quart

1 gallon

5 gallon

**Big Box: Comes with four 1.25 gallon cans**

Tenax Vertigo Water Clear Flowing has been developed with the latest Vinyl Ester technology. Vertigo Water Clear Flowing is ideal for filling holes, seaming, laminations, miters, and chip repair on all granite, marbles, quartz and quartzite, ceramic, porcelain, sintered stone materials.

This adhesive is a very fast and has very good workability, easy to stir and spread, and stays a flowing consistency even after adding the hardener.

Tenax Vertigo Flowing has excellent adhesion with a fast cure time of 20 minutes. This enables the stone to be handled in a very fast time even at low temperatures.

After curing, Vertigo Flowing has a flat surface with a high gloss and is very polishable.

**Colors Easily**
