

Waterfall Pro Pack

 **MADE IN THE USA**—FROM
US AND IMPORTED PARTS

GO-TO WATERFALL EDGE INSTALLATION PACK

Effortlessly achieve the perfect waterfall edge installation with the Waterfall Pro Pack, which includes a compact version of our 90° Stealth Seamer™ Auto, the Waterfall Jack™ set, and a 25 yd roll of Kung Fu Tape® for added convenience. Use the compact 90° Stealth Seamer™ Auto to bring the seam in and out, then use the Waterfall Jack™ set to raise the material up—it's that easy! This one-stop tool for waterfall installs eliminates the need for shims and ensures a tight and even waterfall seam with ease and reliability.

FEATURES

- Non-marking, proprietary synthetic* rubber cups are highly-durable and feature FTS™ technology for optimum hold, even on textured materials
- FTS™ vacuum cup technology for optimum hold on textured and leathered materials
- Powerful, compact pump maintains max pressure for entire system
- Runs on AC power or AA batteries for any situation
- Precise lifting eliminates the struggle with shims
- Rubber bumpers on the clamps protect the finished edges
