Pack	20 per case*

*4 bags of 5

3.0 Use

This pad is designed for cleaning of floors, baseboards, and corners. Removes surface soil including black heel marks. This all-purpose pad is also ideal for general cleaning in kitchens.

4.0 Construction

The No. 102 Medium Duty Blue Octopus Pad is constructed of polyester fibers along with synthetic adhesives that will not be notably affected by water or cleaners used in standard floor maintenance.

5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

6.0 Environmental Initiatives

- Polyester fiber used in our pads come from 100% post consumer and industrial recycled waste product.
- Full Cycle™**, formulated to biodegrade* in a fraction of the time that it takes conventional floor pads once discarded into an active landfill.
- Water Based Latex Resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.

* For complete details or to view ASTM D5511 test results visit www.AmericoFullCycle.com

7.0 Directions for Use

Use with water or cleaning agent for heavy duty cleaning.

8.0 Product Care

To prolong the life of this product it should be rinsed thoroughly after used.

9.0 Size

4.5 in. x 10 in.

Full Cycle® Products are certified by Green Seal™ for Environmental Innovation based on faster biodegradation in landfill conditions and 100% recycled content/natural fiber. GreenSeal.org/GS20

Note: Due to the intrinsic properties of the material and variable conditions of use, there may be slight variations in the specifications and results. Please contact Americo with any questions or concerns.
