ZOOOOM™ ALL GREEN SPEED STRIPPER

Revolutionary new environmentally responsible floor stripper that utilizes our exclusive G-10™ Technology to "zoom" through and emulsify even heavily burnished floor finish! G-10™ is proprietary wetting technology developed by NCL that enhances the stripping process. Combining eco-friendly blend of readily biodegradable ingredients and emulsifiers, ZOOOOM actively penetrates dried floor finish films for fast, thorough stripping action. ZOOOOM's low-odor formula with a mild pH contains no harsh caustics yet achieves outstanding wetting and maximum penetration for easy floor finish removal.

- **Exclusive G-10™ wetting technology works with lightning speed on even heavily burnished floor finish**
- **Virtually odor-free, mild pH formula is safer for workers and building occupants.**
- **Produced without harsh solvents; Environmentally Responsible, readily biodegradable ingredients**
