

## Technical Information Sheet

### **PREMIUM IMPREGNATOR** **ULTIMATE PROTECTION FROM OIL, GREASE AND WATER STAINS**

#### **APPLICATION**

The highest quality stain protection available, 314P is a silicone impregnator suitable for use on all natural stones regardless of finish type. Use 314P for both interior and exterior applications for maximum protection from oil and water borne stains. 314P allows the stone to breathe naturally, cures quickly and offers a totally natural appearance.

#### **DIRECTIONS**

- 1) Clean surface with GranQuartz Stone Care Systems 515C.
  - 2) Allow surface to dry completely (normally 24 hours) before impregnation treatment.
  - 3) Protect all solvent sensitive surfaces adjoining the work area.
  - 4) Apply 314P undiluted directly to small, manageable areas using a sprayer, brush or roller.
  - 5) Allow 10 to 15 minutes for impregnator to penetrate the surface. **Do not allow product to dry**, re-wet where needed.
  - 6) Apply a second application, wet on wet.
  - 7) Allow 5 minutes for penetration of the second application.
  - 8) Completely remove all excess product using a squeegee or towel. **No product should remain on the completed surface.**
  - 9) Allow to dry for 48 hours before covering or beginning maintenance.
- Test in a small area prior to general application to determine application amounts and appearance.**

**COVERAGE:** 100 to 300 sq. feet per liter.

<Symbol GHS02> <Symbol GHS07> <Symbol GHS08>

Contains hydrocarbons, C9-C11, n-alkane, iso-alkane. Flammable liquid and vapour. May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Repeated exposure may cause skin dryness or cracking. Keep out of reach of children. Keep away from heat/sparks/open flames/hot surfaces – No smoking. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. Store locked up.

**CONTENTS:** naphtha (petroleum), hydrodesulphurized heavy (CAS-No. 064742-82-1)

**VOC-INFO:** 717.60 g per liter

This coating is to be applied without thinning or diluting. Close container when not in use.
