Shineline
Baseboard and Wax Build Up
Stripper®

high powered foaming stripper

The high powered foaming formulation of Shineline Baseboard strips away wax build up from baseboards, floor edge and corners. Additionally, Shineline Baseboard speeds up the clean up of floor pads, buckets, wringers and floor machine housing.

Spartan®

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSD sheet. If questions remain, consult your employer or a physician. Shake can well before using. Pretest to prevent damage or discoloration, apply product to small inconspicuous test area. Do not use on painted surfaces, carpet or fabric.

Stripping Baseboards, Floor Edge, Corners, Stairways and Other Hard-to-Reach Areas:

1. With can in upside down position, hold can 6-8 inches from surface and apply foam. Remove overspray immediately.
2. Wait 3-5 minutes and scrub with a damp, abrasive pad.
3. Rinse thoroughly with warm water.

Floor Pads:

1. Hold can in upside down position and apply foam.
2. Wait 5 minutes and rinse thoroughly.

Floor Equipment:

1. Hold can upside down and apply foam.
2. Rinse thoroughly with warm water.
3. Do not allow foam to contact motors or electric connections.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
